**Official Journal of the Association for Prevention and
Control of Rabies in India (Regd.)**

Volume XXI, Issue II, January 2020

Published by Association for Prevention and Control of Rabies in India (APCRI)

Also available at: www.apcrijournal.com

For Category III Rabies exposures... **Leave nothing to chance**

World's First! Recombinant Rabies Monoclonal Antibody (R-Mab)

Neutralizes rabies viruses at wound site

Active against all known rabies isolates in India¹

Highly potent, just 3.33 IU/Kg body weight

Significantly more cost effective than HRIG

WHO and **IAP-ACVIP** endorses R-Mab over ERIG & HRIG in category III animal exposures.^{2,3}

World Class Rabies Vaccine

Acclaimed Pitman Moore strain

Assured early 100% seroprotection

Free of Antibiotics & egg protein
